

# Spine

The spine from the *Straight Up Spine & Posture* logo, redrawn as embroidery artwork — the same angular, woodcut-style vertebrae over a heavier sacrum, in the practice's own green. The concept tied to the practice Ryan founded in 2016.

On a khaki or stone cap

One thread only — cheapest to stitch

ACTUAL SIZE ON THE HAT — PRINTED 1:1

2¼ in  
tall

4½ in — the full width of a cap front

The dashed line is all the room there is to stitch into. Hold this page against a cap to judge it. Shown in dark thread for clarity — on a navy cap it stitches as above.

## WHAT DO YOU THINK?

☐ Love it ☐ It's fine ☐ Not this one

Anything you'd change

Still to decide: cap colour, and whether the hat carries a date.
