

Rise

The caterpillar low on the left, the moth high on the right, and the diffuser plume rising between them — the bubbles Ryan was designing doing the work of the change. His tattoos and his engineering in one mark, read left to right and bottom to top.

ACTUAL SIZE ON THE HAT — PRINTED 1:1

The dashed line is all the room there is to stitch into. Hold this page against a cap to judge it. Shown in dark thread for clarity — on a navy cap it stitches as above.
