

# Roundel

A patch-style badge: an RL monogram in a double ring with the full name beneath. Holds together at the smallest size, so it also works on a shirt or a jacket.

On a khaki or stone cap

One thread only — cheapest to stitch

ACTUAL SIZE ON THE HAT — PRINTED 1:1

The dashed line is all the room there is to stitch into. Hold this page against a cap to judge it. Shown in dark thread for clarity — on a navy cap it stitches as above.
