

# Bubbles

A rising plume drawn from the fine-bubble diffuser Ryan was designing — bubbles leaving one source and spreading as they climb. The concept that points at his engineering work.

On a khaki or stone cap

One thread only — cheapest to stitch

ACTUAL SIZE ON THE HAT — PRINTED 1:1

2¼ in  
tall

4½ in — the full width of a cap front

The dashed line is all the room there is to stitch into. Hold this page against a cap to judge it. Shown in dark thread for clarity — on a navy cap it stitches as above.
